

Digital Class

The campus has digital class with advanced infrastructure to cater to the requirements of the students, teacher and the curriculum. Our smart classroom solution is based on interactive, rich multimedia content-enabled education system which illuminates abstract & difficult concepts with crystal clarity. It bridges the learning gaps between teacher & students and help them realize their true potential.

Science Lab

The school has 4 laboratories for Physics, Chemistry and Biology practical. One lab is a multipurpose lab. devoted to demonstrations for classes VI to VIII. They are airy and well ventilated. They are regularly updated according to the changing requirements of the students. The latest equipment and technology is used to impart hands-on experience to the students, so as to clarify their concepts, and prepare them for their Board Exams.

COMPUTER-LAB

Computer lab

The school has Modern computer Lab. A well equipped Computer lab with appropriate software and seamless internet connectivity helps students to explore the world.

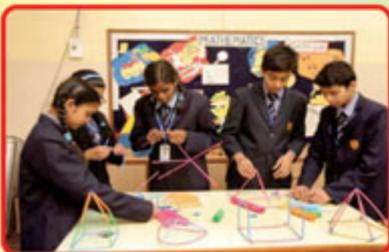

Library

The school has library. It is large, natural, and up-to-date with about THOSANDS of books, ranging from magazines, periodicals and journals to biographies, fiction, reference books, dictionaries and scientific research.

Geography Lab

Geography Lab specializes in the development of qualitative and quantitative research skills in school. The lab is well equipped with a series of maps, topographic sheets and variety of survey equipments like tracing table, thermometers, barometer, magnetic compass, electric globe, anemometer, wind wane, standard time indicator and wet and dry bulb thermometers.

Math Lab

The Math Lab is a need-oriented innovation, which enables the students to avail of the latest teaching trends in Mathematics. The Math lab. in the school is equipped with the latest equipment and is an excellent platform
